**DIGITAL CONTENT FAQS**  
To ensure the health and well-being of our customers and employees, we have made the difficult decision to temporarily close your campus store until further notice. The store re-open date will be based on national, state, and local guidelines as well as the campus policies of your school administration.

We will continue to accept course material and general merchandise orders online for delivery, though you may experience significantly longer shipping times than usual based on local conditions.

**To avoid any shipping delays that may occur with printed course materials, we recommend that you select available digital formats for any course materials you choose to purchase so that you have immediate access and are ready the start of class.**

We will keep you informed of any updates as circumstances change. Stay safe and healthy!
