Notes						
<p>We discussed transfer plan for USD Environmental Studies and also SDSU Urban Planning Design and Management. Due to cost of USD she would like to complete as much major preparation at Cuesta as possible. Sydney will think about whether or not she wants to also earn the AAT in Comm Studies, (which is not her first choice at this point). I mentioned that she could earn a Lib Arts: Social Behavioral Sciences degree prior to transfer, which would include courses needed by SDSU and USD. At follow up appointment, we will plan to revise her SEP after she discusses various option with her parents and thinks about which direction she wants to prioritize.</p> <p>If you apply to SDSU Communication, pick the 'Applied Arts' Concentration if asked for a specific concentration; this is the one that accepts the AA-T in COMM Studies.</p> <p>Sydney expressed interest in exploring possible majors as she is not enjoying Soc. She mentioned that she is looking into transferring to USD.</p> <p>scheduled a follow-up for 10/10/19 - considering USD.</p> <p>Sydney, Thank you for coming in today to complete your Student Education Plan for your AAT in Soc to transfer to a UC or CSU. Please bring in your High School transcripts so we can put in your For Lang. Also. let's research UC schools together and look at their specific requirements and then adjust your plan as needed. Continue to let us know what you need from us to be successful. Kindly, Andrea</p> <p>walkin: registering for fall and completing promise. Will follow up with appointment.</p>				Who	Date
